

AIRDOX

Berlin Underground Techno

Electronic Press Kit

AIRDOX | Berlin Underground Techno

Bio

AIRDOX stands for uncompromising techno with a clear focus on drive, tension and controlled peak moments.

The set approach is built around dark-room pressure, industrial weight and direct dancefloor movement.

Highlights

- Curated recording series with tracklist-driven set documentation
- Signature sound between dark, industrial and peak-time techno
- Performance focus on build-up, pressure and controlled releases
